Re: EX PARTE -- WC Docket No. 02-67: Application by Verizon for  
Authorization to Provide In-Region InterLATA Services in New Jersey

Dear Ms. Dortch:

On June 11, 2002, Christopher Frentrop, Mark Schneider and I, on behalf of WorldCom, Inc., met with Jordan Goldstein of Commissioner Copps' office to discuss pricing issues in the above listed application, including both the "benchmarking" of New Jersey rates to New York (using the attached document which was distributed at the meeting), and TELRIC errors in Verizon's switching rates. On June 10, 2002, Donna Sorgi of WorldCom spoke by telephone with Mr. Goldstein on the same topics and provided him with an electronic copy of our attached May 16, 2002 ex parte. On June 11, we also provided to Mr. Goldstein an electronic copy of the New York Proceeding on Motion of the Commission to Examine New York Telephone Company's Rates for Unbundled Network Elements, Case 98-C-1357, Order on Unbundled Network Element Rates, released January 28, 2002.

Pursuant to the Commission's rules, I am filing an electronic copy of this letter and request that it be placed in the record of this proceeding.

Sincerely,

Keith L. Seat
